

ANNUAL REPORT 2014

ROSE HAVEN

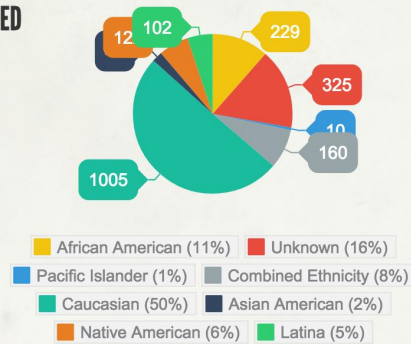

THE DIFFERENCE WE ARE MAKING TOGETHER

In 2014, 2575 women and children experiencing homelessness, abuse and other disruptive life events were served by Rose Haven. These women and children were provided safety, daytime shelter and resources to help them gain stability in their lives. We are able to lay down burdens, rest, heal and begin to live again.

Entering its' 8th year as an independent non-profit, Rose Haven is doing groundbreaking work to serve those who are literally falling through the social service safety net in our community. Each is welcomed as a unique individual, equally worthy of respect, compassion and love. No woman or child is ever turned away. Rose Haven continues to increase volunteer, in-kind and financial resources to expand our capacity to serve the growing population of women and children in need.

WHO WE SERVED

2575 women and children collectively visited Rose Haven more than 15,000 times in 2014 for services and support - 80% women; 20% children.

Homelessness among families has increased by 18x in our community since 2011.
